# Preventative Health Care Plan

## About the Program

We have developed an annual prepaid wellness program specifically designed to provide you with peace of mind knowing that all of your horse's wellness needs are taken care of. We even make it easy by calling you to schedule your vaccines, dental and health check ups.

Enrolling in the plan is easy and saves you 10% on all items included in the package. As a bonus additional services required throughout the year will also receive a 5% discount (such as emergencies, exams, consultations, products, call fees etc.).

How to Sign Up?

### Basic Package

**Yearly Vaccines** - West Nile Virus, Eastern/Western Equine Encephalitis and Tetanus, Rabies, Rhino/Flu

**Fall Rhino/Flu Booster**

**Routine Dentistry** with Powerfloat including basic sedation

**Baseline Bloodwork** - CBC + Biochemistry establish your horse's baseline values

**General Health Exam** to evaluate your horse's eyes, heart, lungs, and body condition and a full report detailing findings. If your insurance is due at the time of the health exam, we can also complete your insurance exam.

**Fecal Parasite Analysis** is performed annually to ensure efficacy of deworming program. This also includes a deworming consultation.

**Call the location nearest you for pricing.**

*Taxes and Call Fees are extra.*

### Performance Package

Basic Package Plus:

**Pre-Season Performance Evaluation** - we will evaluate your horse's joints, tendons and back as well as watch the horse on the lunge and complete flexion tests. This can indicate potential issues or slight soreness and allow time to treat if required in time for show season.

**Coggins** (EIA test)

**Call the location nearest you for pricing.**

*Taxes and Call Fees are extra.*

The plan runs from January 1st to December 31st. Take advantage of the discount by signing up before the deadline of March 16th, 2012.
