Charity Toy & Food Drive

The holidays are quickly approaching. We would like to give back to the community by organizing a Charity Toy and Food Drive and we need your help!

From December 1st to 18th we will be accepting bags of non-perishable food items or new unwrapped toys from clients in exchange for 50% off their call fee for appointments. These donations will benefit families in need this holiday season.

If you are interested in giving but cannot be at your appointment you are welcome to leave a bag near your horses stall. Email info@mpequine.com for further information. If you are interested in participating please be sure to let us know when booking your appointment.
